The Key Indicators for Asia and the Pacific 2014, the 45th edition of this series, includes the latest available economic, financial, social, and environmental indicators for the 48 regional members of the Asian Development Bank. It presents the latest key statistics on development issues concerning the economies of Asia and the Pacific to a wide audience, including policy makers, development practitioners, government officials, researchers, students, and the general public. Part I of this issue is a special chapter---Poverty in Asia: A Deeper Look. Parts II and III are composed of brief, nontechnical analyses and statistical tables on the Millennium Development Goals and eight other themes. The publication is supplemented by the fourth edition of the Framework of Inclusive Growth Indicators.
