Aspiring entrepreneurs are told that to launch a business, you must go all in, devoting every resource and moment to making it work. But following this advice comes at an enormous personal cost: divorce, addiction, even suicide. It means sacrificing the intangibles that make life worth living. Sheryl Orsquo;Loughlin knows there is a better way. In *Killing It*, she shares the wisdom she's gained from her successful experiences launching a company from the ground up (Plum), running two fast-growing companies (Clif Bar and REBBL), and mentoring aspiring entrepreneurs (Stanford University).
