**Patrick Williams, Sharon K. Anderson : Law and Ethics in Coaching: How to Solve -- and Avoid -- Difficult Problems in Your Practice** before purchasing it in order to gage whether or not it would be worth my time, and all praised Law and Ethics in Coaching: How to Solve -- and Avoid -- Difficult Problems in Your Practice:

0 of 0 people found the following review helpful. Four StarsBy Customerok1 of 1 people found the following review helpful. Quality information - a must read for US coachesBy Sage9This book had a lot of very good information and

covered more than I had expected. Most of the issues from a legal standpoint were explained in very good detail and with perspectives that a coach or lay person can understand and use for building and running an effective practice. I like this book so much I will include it as reading materials for a program I teach. 0 of 0 people found the following review helpful. It's a good book, but a little out of date. By CustomerIt's a good book, but a little out of date. It's also not a replacement for speaking with a lawyer. It has helpful information, but is tough to get through in spots.

"This book provides an easy-to-read introduction to the core ethical and professional issues faced by all coaches irrespective of length of coaching experience. The case studies and guidelines in this book will help coaches constructively reflect on their coaching practice, and will help build the solid ethical foundation that professional coaching practice demands. A very useful text for both the beginning and experienced coach."--Anthony M. Grant, PhD, Director, Coaching Psychology Unit, University of Sydney "Pat Williams is quickly becoming the authority on the ethics of the coaching profession. He brings his full integrity and passion to this wonderful book. Do not overlook the importance of this book to your success."--Laura Berman Fortgang, MCC, pioneer in the coaching field and author of *Take Yourself to the Top* and *Now What? 90 Days to a New Life Direction* The first comprehensive book covering ethical and legal guidelines for personal and executive coaches As coaching grows into a unique and fully established profession, coaches are already discovering and dealing with the special ethical and legal dilemmas that can arise in the coaching context. *Law and Ethics in Coaching* presents the first comprehensive look at ethical and legal issues in coaching. From coach-client conflicts to conflicts of interest, from assessments to informed consent, the authors detail the breadth of ethical quandaries in coaching and provide highly practical advice for avoiding problems--and for solving them. With contributions from leaders in law, ethics, and coaching, the text includes coverage of: \* The emergence of the coaching profession and its intersection with ethics and law \* Foundations of ethics for professions \* Making ethical choices \* Getting, growing, and measuring coaching ability \* Developing and maintaining client trust \* Multiple-role relationships in coaching \* Ethical use of assessments in coaching \* Legal issues and solutions for coaches \* The intersection of culture and ethics in organizations \* Coaching into the future Filled with a dynamic blend of case studies, discussion questions, illuminating quotes, and other examples, *Law and Ethics in Coaching* is both a trailblazing professional reference and an unparalleled textbook for coaching programs.

"hellip;It is strong in its presentation of the ethics and laws related to confidentiality and its emphasis on the primacy of the client's welfare as a focus of coaching." (PsycCritiques, February 14, 2007) From the Back Cover "This book provides an easy-to-read introduction to the core ethical and professional issues faced by all coaches irrespective of length of coaching experience. The case studies and guidelines in this book will help coaches constructively reflect on their coaching practice, and will help build the solid ethical foundation that professional coaching practice demands. A very useful text for both the beginning and experienced coach." mdash;Anthony M.
