"One of the Best Leadership Book of 2011 According to Leadershipnow.com." "hellip;succinct guide, punctuated with real-life example, this book is a good and easy read for new leaders or managers who are looking to revisit the fundamentals of leadership." --HR Management "I found *Lead with Purpose* to be enlighteninghellip;It has an intellectual appeal while providing practical, time-honored ideas for leaders of any organization." --School Administrator magazine

From the Inside Flap Can you describe the purpose of your organization in a single sentence? More importantlyhellip;can your employees? When an organization succeeds, it's because the people who drive it know what they do and why they do it. As a leader, it's your job to provide your people's work with meaning. Yet the kind of attitude, commitment, and direction found in a workplace led by a clear sense of shared vision and direction is found at only the most successful, top tier organizations. Based on in-depth research and interviews with business executives in multiple sectorsand featuring practical steps you can take to instill a sense of purpose throughout your organizationhellip;*Lead with Purpose* gives you the insight and guidance you need to ensure that your company succeeds in the new world economy. *Lead with Purpose* illuminates the essential actions you must take to turn a sense of collective direction into a strategic advantage for you and your people, including how to:

- Instill purpose in others. Develop your people's talents and skills, and harness their creativity and desire to succeed.
- Make your employees comfortable with ambiguity. In today's business world, black and white is a luxury. Gray is the new norm. Live with it.
- Turn good intentions into great results. Turn ideas into practical applications that satisfy customer needs.
- Make it safe to fail (as well as prevail). It is ingenuity that turns ideas into practical concepts. Successful companies allow their work forces to experiment.
- Develop the next generation. The time to develop the next generation of leaders is now. Integrate leadership development into management as an ongoing process.

You'll learn how to instill a sense of ownership from the top down, ensure that organizational purpose is understood and acted upon by all your people, encourage resourcefulness and flexibility, and communicate a narrative that will drive your organization from one success to another. It's your responsibility to provide those around you with a shared, focused sense of engagement and direction. This book provides you with a proven blueprint for leading your organization clear-eyed into the future.
