Stephen Covey : Leadership Essentials before purchasing it in order to gage whether or not it would be worth my time, and all praised Leadership Essentials:

Are great leaders born--or made? According to Dr. Stephen R. Covey, author of the best-selling *The 7 Habits of Highly Effective People*, leadership skills can be honed and improved--if you know how. In this book, Dr. Covey walks you through a process of self-discovery and personal development that will make you a stronger leader--and help you succeed at work. As a leader of the corporate consulting firm FranklinCovey, Dr. Stephen R. Covey has guided thousands of clients in developing and improving their leadership skills. This book offers a clear step-by-step path to leadership success and detailed workbooks that guide you in putting the principles you'll learn to practical use. ABOUT THE SERIES The Essentials series offers the best of Dr. Stephen R. Covey's wisdom and expertise,

gained throughout a decades-long career guiding corporations and leaders on management, execution, and leadership. Each Essentials book is tailored specifically toward an aspect of corporate leadership that offers unique challenges to organizations and individuals alike--offering concrete step-by-step advice toward improvement--and extensive workbooks designed to help you put new ideas into practice.
