When I was a "bit" younger I lived on a farm and we grew potatoes for Herr's. My grandfather was asked to possibly go into business with Mr. Herr but he didn't think it was a good investment at the time. I really enjoyed the book and I don't live very far from Nottingham so we often go to see the

Christmas lights and take a tour of the factory. This book brought back many good memories for me and my family. 1 of 1 people found the following review helpful. The Legacy By Deanna Gibson To know the HERR family and their Christian values shows us a very uplifting story. I recommend everyone to read "Life With Flavor." You will identify with their struggles as they grew their business and raised Godly children. Reading of Jim Herr's secrets of success through serving God as sharing and encouraging others throughout his life will renew your spirit. Jim and Mim Herr will infect you with unspeakable joy. 0 of 0 people found the following review helpful. Five Stars By STG Great book and seller.
