BURNS : MANAGEMENT ACCOUNTING before purchasing it in order to gage whether or not it would be worth my time, and all praised MANAGEMENT ACCOUNTING:

A modern and contemporary approach to management accounting, this brand new textbook written specifically for courses in the UK and Europe provides an essential grounding for students studying both traditional and new management accounting techniques. Importantly, this complete text takes its readers beyond just the traditional accounting techniques, to place accounting information and the role of the management accountant in a broader organizational

About the Author John Burns is Professor of Management and Accounting at the University of Exeter Business School,
