**Robin R. Speziale : Market Masters** before purchasing it in order to gage whether or not it would be worth my time, and all praised Market Masters:

0 of 0 people found the following review helpful. Five Stars By Dr. Jeffrey Green I have been investing since 1980 and have read many dozens of investment books over the years. I have come to think of myself as a bit of a connoisseur on the subject. This is an outstanding contribution to the genre, and I would recommend it highly. It has a Canadian orientation but has a great deal to offer to investors everywhere. I am looking forward to re-reading it and catching the points I missed the first time around, 0 of 0 people found the following review helpful. This is one of the very best. By
