Victoria N Bateman : Markets and Growth in Early Modern Europe: Volume 10 (Perspectives in Economic and Social History) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Markets and Growth in Early Modern Europe: Volume 10 (Perspectives in Economic and Social History):

This is the first study to analyze a wide spread of price data to determine whether market development led to economic growth in the early modern period.

'Throughout the book the language and presentation are accessible and largely non-technical. ... The conclusion is both plausible and reassuring.' EH.net
