Suzanne Simons : Master of War: Blackwater USA's Erik Prince and the Business of War before purchasing it in order to gauge whether or not it would be worth my time, and all praised Master of War: Blackwater USA's Erik Prince and the Business of War:

0 of 0 people found the following review helpful. Four StarsBy Sharrieff NashidInteresting0 of 0 people found the following review helpful. greatBy JGreat2 of 2 people found the following review helpful. Good BookBy Christopher SteinerEnjoyed the start of the book regarding Erik's drive and focus to create the company. Seemed to become a little

dull during parts however finished quite well in outlining the companies slow down due to reputation and politics.
Would recommend the read if you are wanting to understand more about Erik or Blackwater.
