Clifford G. Christians, Mark Fackler, Kathy Richardson, Peggy Kreshel, Robert H. Woods : Media Ethics: Cases and Moral Reasoning, CourseSmart eTextbook before purchasing it in order to gauge whether or not it would be worth my time, and all praised Media Ethics: Cases and Moral Reasoning, CourseSmart eTextbook:

0 of 0 people found the following review helpful. 10/10 By Eternal Ending I bought this for a college class and I have no complaints. It arrived on time and there were no tears, markings, etc. 0 of 0 people found the following review helpful. Pretty good for required textbook. By cHolling6 Bought for class. I liked the cases presented in the book but it was a little light on the ethical schools of thought. I wish it went into more detail on those. 0 of 0 people found the following review helpful. Four Stars By Tiffany Roberts Way more hard-hitting, informative read than expected. Their case studies incorporate the must-know with more risky content than expected.

Media Ethics: Cases and Moral Reasoning, Ninth Edition challenges students to think analytically about ethical situations in mass communication by using original case studies and commentaries about real-life media experiences. This market-leading text facilitates and enhances students' ethical awareness by providing a

comprehensive introduction to the theoretical principles of ethical philosophies. Media Ethics introduces the Potter Box (which uses four dimensions of moral analysis: definitions, values, principles and loyalties) to provide a framework for exploring the important steps in moral reasoning and analyzing the cases that follow. Focusing on a wide spectrum of ethical issues facing media practitioners, the cases in this new Ninth Edition include the most recent issues in journalism, broadcasting, advertising, public relations and entertainment.
