From Routledge : Mediterranean Tourism: Facets of Socioeconomic Development and Cultural Change (Routledge Advances in Tourism) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mediterranean Tourism: Facets of Socioeconomic Development and Cultural Change (Routledge Advances in Tourism):

This book comments on the complexities of Mediterranean tourism, with contributions from researchers, consultants, managers and advisors from thirteen countries. It is an excellent reference tool for undergraduate and postgraduate students, as well as industry practitioners, for the examination of tourism in different Mediterranean contexts.
