0 of 0 people found the following review helpful. Great textbook for its title: Mergers and Acquisitions-By Dr. Robert B. AkinsanmiDue to tight schedule, I am unable to give detailed review. However, This is a great textbook and a great reference book both for Instructors and Students alike.I will recommend its use in Colleges and Universities.The major

shortcoming is its unavailability. Prof. Robert Akinsanmi

The exploding level of activity in mergers and acquisitions in recent years has placed increased demands on the accountants involved. This book shows accountants how to achieve competence in the various accounting and business aspects of mergers and acquisitions.
