**Guy Mavor : Mexico - Culture Smart!: The Essential Guide to Customs Culture** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mexico - Culture Smart!: The Essential Guide to Customs Culture:

3 of 3 people found the following review helpful. Useful in general, but not on specifics  
By Jeremy Aldrich  
In this little guidebook, you will find more detail than a typical travel-themed TV show, but not enough to plan out a trip without other resources. I suppose you could say that after reading it, you'll have a better idea of what information you need to find next before your trip. Chapters include Land and People, Values and Attitudes, Customs and Traditions, Making Friends, The Mexicans at Home, Time Out, Traveling, Business Briefing, and Communicating. The clipart illustrations were useless and made the book look less professionally-created than it is.  
0 of 0 people found the following review helpful. Okay, looking for something more comprehensive  
By Lawrence David Farrell  
Brief, but well

organized for someone with no previous information about Mexican tourist attractions and customary behaviors. Some very useful common everyday expressions. 0 of 1 people found the following review helpful. Good book  
By cardinal 101  
This book is informative. This book will give a person about to do business or visit Mexico. This book gave me information on the Mexican culture that I did know or found confusing.

Culture Smart! provides essential information on attitudes, beliefs and behavior in different countries, ensuring that you arrive at your destination aware of basic manners, common courtesies, and sensitive issues. These concise guides tell you what to expect, how to behave, and how to establish a rapport with your hosts. This inside knowledge will enable you to steer clear of embarrassing gaffes and mistakes, feel confident in unfamiliar situations, and develop trust, friendships, and successful business relationships. Culture Smart! offers illuminating insights into the culture and society of a particular country. It will help you to turn your visit-whether on business or for pleasure-into a memorable and enriching experience. Contents include \* customs, values, and traditions \* historical, religious, and political background \* life at home \* leisure, social, and cultural life \* eating and drinking \* do's, don'ts, and taboos \* business practices \* communication, spoken and unspoken

"Culture Smart! has come to the rescue of hapless travellers." —Sunday Times Travel
