**Caprice : My Boys, My Body, My Business** before purchasing it in order to gauge whether or not it would be worth my time, and all praised My Boys, My Body, My Business:

A candid, warm and engaging account of former 'IT' Girl and model Caprice Bourret's quest to become a mother after the brutal medical diagnosis that she would never carry a baby full terms. From her early life in the US, becoming Miss Teen California, modelling and acting in the UK and running her own lingerie business, Caprice talks with wit and

insight about relationships, dealing with heartbreak, finding a wonderful surrogate and, finally, the unexpected joy of two baby boys born within weeks of each other. This book will inspire many women who have given up hope of motherhood.

About the Author Caprice Bourret moved from California to the UK in the early 1990s and soon became one of the most photographed women in the world, appearing on over 300 magazine covers globally. She spent time mixing with the "Ardquo; list, appearing on reality TV, and has dated Rod Stewart and soccer player Tony Adams. She received rave reviews for her performances in the West End's Vagina Monologues, and the musical Rent, and now runs a hugely successful lingerie business.
