Do you have a dream and are you willing to fight for it?By wwdreambuilderI read and listen to numerous self development materials on a daily basis, as is necessary to run a successful business. Not only was this item priced lower than anywhere else I could find in my hours of research, but the supplier quickly shipped the item to me and the audio book saved me a lot of time. I read all John Maxwell's

material, as he once led the largest ministry in the world. And if you are lacking vision, dream, or motivation to move forward or achieve something that is greater than yourself, then this is the #1 resource I would use to get you right on target for accomplishing what you were meant to do in life. 0 of 0 people found the following review helpful.
