But would have been better if they included example sections of a lease in the wording they recommend. My landlord's lease was 11 single space pages of very small font, that was total one-sided in favor of the landlord.3 of 3 people found the following review helpful. Very Informative for the first time business lesseeBy N2HEALTHNFITNESS"Negotiate the Best Lease for Your Business" provides the basic information for the first time business owner considering renting

office space. The book is well organized and easy to understand. It covers many aspects involved from looking for office space to understanding terms in a lease and legal considerations. This book is a guide for the future lessee as to what to expect and recommendations of when to seek professional services in areas of law, real estate, and others. Every business situation is unique, so it is not an answer to everything which applies to you. Overall, I found the book very helpful. 0 of 0 people found the following review helpful. Must buy if you are negotiating a lease! By HotPuppyWonderful book. I even taught my Realtor a few things after reading it. Really helped educate me on what I should be asking my attorney and agent.
