Hannah Seligson : New Girl On The Job before purchasing it in order to gage whether or not it would be worth my time, and all praised New Girl On The Job:

0 of 0 people found the following review helpful. A good start
By R. Renosky
This book is a good place to start the right conversations among young women new to the career world, particularly those who did not go through higher education. Even a college education fails to incorporate these essential concepts, and furthermore, young women lack the mentors needed during that time who would guide them toward this knowledge. Seligson has written a quick reference guide.
0 of 0 people found the following review helpful. Tips for New Hires
By Customer
Lots of good ideas to help new hires acclimate to the job.
0 of 0 people found the following review helpful. A How-to for Teens and

Young AdultsBy Rosemarybooth Hannah goes into the value of internships, how to get the ones you want, how to behave toward employers, co-workers: everything one needs to know on his/her first jobs as well as how to apply for succeeding ones.

What do Bobbi Brown, CEO of Bobbi Brown Cosmetics, Soledad O'Brien, co-host of CNN's American Morning, and Jill Herzig, executive editor of Glamour magazine, all have in common? They've all been the New Girl on the Job, just like you. And in this book, you'll gain access to their hard-won wisdom and strategies for success. In *New Girl on the Job*, author Hannah Seligson blows the lid off of one of the most common--and least discussed--topics facing young women today: Surviving and thriving in the workplace. Through interviews with some of the best and brightest businesswomen in the country, meticulous research, and one-on-one chats with hundreds of New Girls starting out in their careers, *New Girl on the Job* provides you with all of the information you always wanted to know about workplace success but were afraid to ask. Inside, you'll find valuable tips and information you can put to use right away:

- You never get a second chance--Making a killer first impression
- Is this the "real me?"--Being "yourself" while maintaining a professional attitude
- Dress for success--Think Ann Taylor, not Forever 21
- Just ask--Overcoming your fear of the dumb question--and getting the answers you need to succeed
- It's just business--Developing a thick skin
- X + Y--Navigating male-female dynamics at the office
- Nice is the new mean--Building successful relationships with female coworkers

Loaded with real-life advice, helpful lists, and quick take-away points to get you off on the right foot, *New Girl on the Job* gives you everything you need to take charge of your career--and climb the ladder to success.

From the Publisher Praise for *New Girl on the Job*: "Your Cliff's Notes for breaking into the workforce and staying there. I wish I had this book when I moved to New York as a young freelancer." --Bobbi Brown, founder and CEO, Bobbi Brown Cosmetics "Invest in yourself by taking Hanna's experiences to heart." --Tory Johnson, CEO, Women for Hire, and workplace contributor for ABC's *Good Morning America* "A trusty road map to navigate the chaos of working when you're young." --Rachel Simmons, director of Girls Leadership Institute and author, *Odd Girl Out* "[This book] belongs on every working woman's bookshelf, whether she's been on the job ten days or ten years." --Nan Mooney, author, *I Can't Believe She Did That* "A must read for any woman entering the workforce!" --Carole Frohlinger, president, *Negotiating Women, Inc.*
