**Professor Franco Fiordelisi : New Issues in Financial Institutions Management (Palgrave Macmillan Studies in Banking and Financial Institutions)** before purchasing it in order to gage whether or not it would be worth my time, and all praised New Issues in Financial Institutions Management (Palgrave Macmillan Studies in Banking and

Financial Institutions):

This book examines new issues in financial markets and institutions raised by the global economic crisis that began in 2007. The four main themes are: management, innovation and technology in banking; efficiency and productivity; consolidation; and corporate governance issues.
