Françoise Noël : **Nipissing: Historic Waterway, Wilderness Playground** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Nipissing: Historic Waterway, Wilderness Playground:

The Lake Nipissing area is best known as a voyageur route between the Ottawa River and Georgian Bay visited by explorers, missionaries, and fur traders. All of these travellers, however, were on a journey elsewhere. This book focuses on the less well-known story of the area's transformation into a tourist destination between 1875 and 1955.

About the Author Françoise Noël is a professor of history at Nipissing University.
