**From Palgrave Macmillan : Organization Design and Engineering: Co-existence, Co-operation or Integration** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Organization Design and Engineering: Co-existence, Co-operation or Integration:

The key aim of the volume of original papers on the theory and practice of ODE featured in Organization Design and Engineering is to contribute towards overcoming the academic challenges stated above. A secondary aim is to launch the debate about ODE, including whether or not the debate itself is warranted.

About the Author Rodrigo Magalhães is currently Professor of Information Systems and Organization at the Kuwait-Maastricht Business School (KMBS) in Kuwait, where he previously held the post of Academic Director. KMBS is a private graduate school affiliated to the Maastricht School of Management in the Netherlands. He is an active researcher at the Centre for Organization Design and Engineering, INOV, Lisbon and at the Centre for Spatial and Organizational Dynamics, University of Algarve, both in Portugal.
