John B. Miner : Organizational Behavior 1: Essential Theories of Motivation and Leadership: Volume 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Organizational Behavior 1: Essential Theories of Motivation and Leadership: Volume 1:

0 of 0 people found the following review helpful. Assisted me through classBy AudreyWell written. Covers theories in depth.0 of 1 people found the following review helpful. Five StarsBy Christalyn PruittEverything as advertised.

This comprehensive text provides a detailed review and analysis of the building-block theories in Organizational Behavior. Expanding on his previous work in the field, John Miner has identified the key theories that every student or

scholar needs to understand to be considered literate in the discipline. *Organizational Behavior: Essential Theories of Motivation and Leadership* analyzes the work of leading theorists. Each chapter includes the background of the theorist represented, the context in which the theory arose, the initial and subsequent theoretical statements, research on the theory by the theory's author and others (including meta-analysis and reviews), and practical applications. Special features including boxed summaries of each theory at the beginning of each chapter, two introductory chapters on the scientific method and the development of knowledge, and detailed and comprehensive references, help make this text especially useful for graduate courses in Organizational Behavior and Industrial/Organizational Psychology.
