Paul Knott : Ouch!: What you don't know about money and why it matters (more than you think) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ouch!: What you don't know about money and why it matters (more than you think):

It's time to wake up or get wiped out. We live in a world dominated by a system that most of us aren't aware of, never mind understand. When it comes to money and how it really works, most of us are too busy, too bored or too bewildered to think about it, despite being at the sharp end of the consequences. We simply don't recognise the game that is being played out in front of us. Well check your pockets; you're in for a nasty shock. OUCH! is your entertaining answer to financial fear, ignorance or confusion. Quintessentially irreverent but with a deadly serious message - ultimately it tells you how to protect your hard earned cash and save yourself from financial meltdown. You can't afford to ignore it.
