From Asian Development Bank : Pacific Economic Monitor: December 2013 before purchasing it in order to gage whether or not it would be worth my time, and all praised Pacific Economic Monitor: December 2013:

This issue of the Pacific Economic Monitor analyzes 2013 budget outcomes and 2014 budget plans of ADB's Pacific developing member countries. The theme of the policy briefs also in this issue is the economics of climate change and climate change financing challenges in the Pacific.
