From Asian Development Bank : Pacific Private Sector Development Initiative: Progress Report 2012-2013 (Pacific Private Sector Development Initiative Annual Progress Report) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pacific Private Sector Development Initiative: Progress Report 2012-2013 (Pacific Private Sector Development Initiative Annual Progress Report):

The Pacific Private Sector Development Initiative (PSDI) is a regional technical assistance facility cofinanced by the

Asian Development Bank (ADB), Australian Aid, and the New Zealand Aid Programme. PSDI works with ADB's 14 Pacific developing member countries to improve the enabling environment for business and address constraints to private sector development in support of sustainable and inclusive economic growth. This publication describes PSDI's progress on recent and ongoing initiatives and reviews the analytical basis for reform in the region.
