USHC) United Seniors Health Council : Planning for Long Term Care before purchasing it in order to gage whether or not it would be worth my time, and all praised Planning for Long Term Care:

0 of 0 people found the following review helpful. Three StarsBy D. SmithGreat info! Can be useful depending upon your needs and circumstances for you and you loved ones.0 of 0 people found the following review helpful. Financial plannerBy Fred ConwellI misunderstood the title, hoping for a nursing guide for the elderly. Instead, it is a good financial planner for that age group.

A PAPERBACK ORIGINAL A comprehensive guide to understanding, choosing, and buying long-term care services and insurance "An excellent source of information." shy;shy;Money magazine "This book provides the information and guidance people will need to make sound decisions about ensuring and gaining access to long-term care."shy;shy;Ann Landers In the next 10 years, more than 12 million Americans will require some form of longterm care.
