Clip coupons, stock up on things that last, ask your insurance agent if you are getting the best deal. Best advice: Get the Store card and save 5% on all purchases. Worst advice: Fill out online surveys for cash (I did the math and on one site (Toluna) it would take 6-8 full hours of filling out surveys to earn a \$10 gift card.) Worth the \$9.99. 4 of 4 people found the following review helpful. Get it, you need this in your reference library. By Charley FI am a David Pogue fan.
