Stephen Haber : Political Institutions and Economic Growth in Latin America: Essays in Policy, History, and Political Economy (Hoover Institution Press Publication) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Political Institutions and Economic Growth in Latin America: Essays in

Policy, History, and Political Economy (Hoover Institution Press Publication):

Political Institutions and Economic Growth in Latin America offers a new contribution to the literature on institutions and growth through the analysis of historical cases of institutional change and economic growth in Latin America in the nineteenth and twentieth centuries.

"For anyone interested in more fully understanding the bases of Latin America's stubborn lack of relative progress, this collection will be rewarding reading." About the Author Stephen Haber is the Peter and Helen Bing Senior Fellow at the Hoover Institution. He is also the A.A. and Jeanne Welch Milligan Professor in the School of Humanities and Science and director of the Social Science History Institute at Stanford University.
