D. Bigman : Poverty, Hunger, and Democracy in Africa: Potential and Limitations of Democracy in Cementing Multiethnic Societies before purchasing it in order to gage whether or not it would be worth my time, and all praised Poverty, Hunger, and Democracy in Africa: Potential and Limitations of Democracy in Cementing Multiethnic

Societies:

The book evaluates alternative policy options for the African countries to overcome the food crisis and the changing structure of world trade to sustain their impressive growth of the early 2000s. These policies must go beyond economic reforms and seek a solution to the entrenched political problems that divided the continent.
