5 of 5 people found the following review helpful. Review of Dave Emott's MA Practitioner's Guide By Len S David Emott's "Practitioner's Complete Guide to MA's, An All Inclusive Reference" is a very comprehensive and well organized guide that will be of great use to novices and experts alike. His guide lays out in a very clear manner, all of the steps of the MA process using a worthy combination of Diagrams, Tables and Text without dilution from extraneous stories. Of specific merit is the section on negotiating the deal (Topics 66-82) which provides outstanding insight on handling deal negotiations, often the most difficult part of an MA deal. The website interface also provides easy access to the Guide's Diagrams and Tables for one's own use. Finally, this guide is rich in detail and key considerations for any MA deal, details which even experts would want to make sure have been considered and

properly covered in any deal. David Emott's vast expertise in the MA area certainly comes through in his excellent guide - owning this book is the next best thing to having David Emott personally advising and walking you through an M A deal!!.
