**International Monetary Fund : Précis de la balance des paiements: Un Livre de Cours (Manuals Guides) (French Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Précis de la balance des paiements: Un Livre de Cours (Manuals Guides) (French Edition):

The Balance of Payments Textbook, like the Balance of Payments Compilation Guide, is a companion document to the fifth edition of the Balance of Payments Manual. The Textbook provides illustrative examples and applications of concepts, definitions, classifications, and conventions contained in the Manual and affords compilers with opportunities for enhancing their understanding of the relevant parts of the Manual. The Textbook is one of the main

reference materials for training courses in balance of payments methodology.
