**P. Jowett : Private Equity: The German Experience** before purchasing it in order to gage whether or not it would be worth my time, and all praised Private Equity: The German Experience:

This tells the story of the development of the private equity industry in Germany. It is the first comprehensive history of the private equity industry for any country, revealing the vicissitudes of private equity investing, warts and all. It is an engaging chronicle for anyone interested in the industry or the modern German economy.
