Profiles in Enterprise, an inspirational book on the life stories of twenty-three Indian business leaders is a candid

account of men and women who have added value to their businesses or professions and most certainly to India as a nation. From the importance of hard work to perfect timing, and from sharing wealth to the grit and determination to never give in; these profiles share stories of entrepreneurs, ever ready to take risks and on a path to a never-ending success. Enlightening, and full of fascinating anecdotes, these personal journeys are a must read for a growing breed of first-generation entrepreneurs.
